## **DIRECTOR'S MONTHLY REPORT**

We had a water leak here at Station one a few weeks ago. A water line near the dishwasher had split and ran enough water to go to a couple of different rooms. We contacted a company to dry and clean the affected areas and the damage was limited to wet carpet and the need to replace some cove base around a few walls.

As reported last month, I have been reviewing our run sheet and billing services provided by Intermedix and hope to have everything ready for the next meeting.

OPERS has asked me to provide a letter stating how the discrepancy was found. I contacted the Chairman and counsel and drafted a letter to them which briefly stated an oversight was noted and once found, it was corrected. I have not heard about any amounts that will have to be paid. My contact states she does not handle that area but we should receive a final report shortly, presumably with an invoice requesting the amount due that was not paid over the years, since we started with OPERS.

Mr. Sides with the Oklahoma State Auditor and Inspectors office spent the day here last Thursday speaking with a couple of people 'finishing up' his work.

Welcome Joe Brown. He was approved to the MESTA Board as a rep for Mayes Co Dist 2.

Happy Valentine's Day.
